A: Hobart Airport is only about 30 minutes from Baskerville

Q: What are the accommodation options near Baskerville?

Q: Is there camping allowed at Baskerville Raceway?

A: There is camping allowed although primitive, we hopefully will have a transportable shower block on site.

A: Organised practice will held on the Thursday before and will allow for all categories to have plenty of track time to try and master this challenging track.

Q: Is there Fuel available at the track?

A: No Fuel will be available at the track, there are service stations within 15 mins or if you require more exotic fuel you will need to arrange this beforehand, contact info still to come?

Q: Can our guests see much of the track?

A: Baskerville is a hidden gem and is most likely the only circuit in Australia where all the spectators can sit in the comfort of their own cars and see the whole track while listening to the commentary on our FM radio.
