WELCOME

Welcome to Round 2 of the Queensland Racing Driving Championship. Round 2 is hosting a large field of categories, and welcomes the Formula Ford Nationals.

On Saturday the racing will begin at 8:30am stopping for a short lunch break around midday, finishing late afternoon . Sunday will begin at 8:30am.

Good luck and enjoy your weekend!

IMPORTANT INFORMATION

Races will be conducted with the help of the raceciever radio system. These connect race control to all drivers for added safety and efficiency. If you do not have one of these radios they are available for hire & purchase at the circuit on all days of the event.

It is compulsory to have this radio with you at the drivers briefing to give you a run down on how they work and what you will hear during use.

Also the RACERS Code of Conduct has received some changes since last year so. It is a requirement that ALL competitors make them selves familiar with both the document and the changes, it can be found here -

<http://www.racers.world/documentation/>

Everyone should be aware by now of the **COMPULSORY** use of a HANS (or appropriate head and neck restraint) device.
